

Victoria

ISOPP/CAPhO 2025 Exhibitor Listing

Program at a Glance

April 3–7, 2025

As of March 5, 2025.
This program is subject to change.

As of Thursday, March 27

Watch On Demand Sponsored Symposia & Virtual Site Visit on the Symposium Online Platform:

Virtual Site Visit
Surrey Cancer Centre & Kelowna Cancer Centre

BeiGene
Optimizing BTKi Patient Management with a NEW Digital Tool

Healthmark Services Ltd
International Insights on Automation in Oncology Compounding: Advancing Safety and Efficiency

IPSEN Biopharmaceuticals Canada
Tackling TKI Toxicities Together: A Fireside Chat on advanced RCC Treatment

Lilly Canada
TBC

Merck
Transforming GU Cancer Care for Improved Patient Outcomes: The Pharmacist's Role in Implementing Practice-Changing Data

Natco Pharma (Canada) Inc.
Refractory Multiple Myeloma – What's New 1-2-3-4-5-6-7th Relapse

Organon
Understanding Chemo-Induced Menopause, A Crucial Aspect of Oncology Care

Thursday, April 3

08:30 - 12:30
Workshop - Technical Practice:
Ensuring Safety in HD Pharmacy Compounding: From HD Wipe Sampling to Decontamination Science
(Room Name TBC)

08:30 - 12:30
Workshop - Clinical Practice:
Oral Chemotherapy Management
(Room Name TBC)

12:30 - 14:00
Sponsored Symposium - Johnson & Johnson
Latest Learnings and Best Practices for the Implementation of Bispecific Antibodies for Multiple Myeloma in the Community
(Room Name TBC)

14:15 - 15:15
Sponsored Symposium - Amgen Canada Inc.
Impact of Immunotherapy in Frontline B-ALL: A Pharmacist's Perspective
(Room Name TBC)

15:30 - 16:30
Sponsored Symposium - Simplivia HealthCare
Innovative Technologies for Safe and Economical Handling of Hazardous Drugs: New Frontiers in Compounding Automation, CSTD Vapor Containment, and Drug Sterility in the Modern Pharmacy
(Room Name TBC)

16:45 - 17:45
Sponsored Symposium - AstraZeneca Canada & Daiichi Sankyo Canada
Strategies for Managing ADC-Related Toxicities in Metastatic Breast Cancer
(Room Name TBC)

18:00 - 19:30
Networking Welcome Reception amongst the Exhibits and Posters
(Room Name TBC)

Friday, April 4

07:15 - 08:45
Sponsored Symposium - Merck Canada and AstraZeneca Canada
PARP Inhibitor Pan-Tumour Clinical Resource: Supporting Oncology Pharmacists in Managing Breast, Prostate, Ovarian, and Pancreatic Cancers
(Room Name TBC)

09:00 - 09:30
Welcome Ceremony
(Room Name TBC)

09:30 - 10:30
Considerations of Indigenous Care in Pharmacy Practice
(Room Name TBC)

10:30 - 11:15
Networking Refreshment Break amongst Exhibits and Posters
(Room Name TBC)

11:15 - 12:00
Continuing Cancer Therapy Amid Chaos: A Disaster Management Roadmap for Oncology Pharmacy
(Room Name TBC)

12:00 - 12:30
Sustainability in Oncology Pharmacy - Global Panel Discussion
(Room Name TBC)

12:30 - 14:00
Networking Lunch amongst Exhibits and Posters
(Room Name TBC)

12:30 - 14:00
Sponsored Symposium - Sanofi
Considerations for Improving Administration Efficiency in Clinical Practice of Various Multiple Myeloma Therapies
(Room Name TBC)

14:00 - 15:00
Concurrent A (Fundamental):
1. Data and Cancer: Exploring the Basics of Statistics in Oncology
2. How to Integrate Research into a Busy Practice
(Room Name TBC)

Concurrent B (Hematology):
1. Risk Stratification and Treatment Considerations in Older or Unfit Patients with Haematological Malignancies

2. Opportunistic Infection Management in Hematologic Malignancies: A Focus on CMV management
(Room Name TBC)

Concurrent C (Research Showcase):
Abstract Platform Presentations
(Room Name TBC)

15:00 - 16:00
Oncology Pharmacy Around the World Panel: Oncology Pharmacy Variability Globally
ISOPP & CAPhO Awards
(Room Name TBC)

16:00 - 17:00
Research Event: Poster Presentations
(Author attendance at posters)
(Room Name TBC)

17:00 - 18:30
Sponsored Symposium - EQUASHIELD
Does Your Hazardous Drug List Adequately Address the Risks Associated with Handling Hazardous Drugs?
(Room Name TBC)

18:45 - 19:30
Fun Run / Walk
Beacon Hill Park - Meet in Fairmont lobby at 18:30

Saturday, April 5

07:15 - 08:45
Sponsored Symposium - BD
Ensuring Safety: Applying Research to Help Maximize Protection from Hazardous Drugs
(Room Name TBC)

09:00 - 10:00
Unpacking Equity, Diversity, and Inclusion (EDI): Why it Matters, What the Research Says, and How ISOPP Can Drive Change
(Room Name TBC)

10:00 - 11:00
Concurrent D (Innovation):
1. AI in Oncology: Weighing Benefits and Mitigating Risks

2. Therapeutic Drug Monitoring of Asparaginase in Leukemia: A Review of Various Formulations
(Room Name TBC)

Concurrent E (Clinical):
1. Enhancing Treatment Decision-Making in Lung Cancer: Real-World Evidence on Molecularly Guided Treatment Selection, Repeat Biopsy, Drug Sequencing, and Clinical Outcomes

2. Preventing a CAT-astrophe: Evidence Update and Translating Risk-Directed Strategies into Practice for Cancer-Associated Thrombosis
(Room Name TBC)

Concurrent F (Technical):
1. Aggregation of Monoclonal Antibodies in Clinical Practice: In-Hospital Handling and Transport by Pneumatic Tubes

2. Expanded Access and Compassionate Use, the Brazilian Scenario
(Room Name TBC)

11:00 - 11:30
Networking Refreshment Break amongst Exhibits and Posters
(Room Name TBC)

11:30 - 12:30
Concurrent G (Innovation):
1. Pre-therapeutic Pharmacogenomic Testing to Prevent Adverse Drug Reactions: Experiences from the U-PGx PREPARE Study and Beyond

2. Using Pharmacogenomics (PGx) and Therapeutic Drug Monitoring (TDM) to Address Under- and Overdosing with Fluorouracil (5FU)
(Room Name TBC)

Concurrent H (Technical):
1. Brazil Training Simulation Facility for Oncology Drug Preparation

2. A New Education Pathway: Science Manufacturing Technicians
(Room Name TBC)

Concurrent I (Pediatric):
1. Acting Today to Protect our Patients from Late Treatment-related Toxicities

2. Role of Pharmacogenomics in Addressing Health Disparities in Pediatric Oncology
(Room Name TBC)

12:30 - 14:00
Networking Lunch amongst Exhibit and Posters
(Room Name TBC)

12:30 - 14:00
Sponsored Symposium - Bristol Myers Squibb
Subcutaneous Administration of Immunotherapy in Different Care Settings
(Room Name TBC)

14:00 - 14:45
ISOPP Annual General Meeting (AGM)
(Room Name TBC)

14:45 - 15:30
CAPhO Annual General Meeting (AGM)
(Room Name TBC)

15:30 - 16:00
Global Town Hall
(Room Name TBC)

16:00 - 16:45
Networking Break amongst Exhibits and Posters
(Room Name TBC)

16:45 - 18:15
Sponsored Symposium - Baxter Corporation
Dose Banding in Oncology
(Room Name TBC)

19:00 - 21:00
Cultural Networking Reception
(Offsite - location TBC)

Sunday, April 6

07:15 - 08:45
Sponsored Symposium - Pfizer Canada
Espresso Shot Learning: Hot Topics and Updates in Lung and Urothelial Cancers
(Room Name TBC)

09:00 - 10:00
Top 4 Abstracts Platform Presentations Plenary
(Room Name TBC)

10:00 - 10:45
Cancer Care Closer to Home: Introduction of Clinical Pharmacy Services to Improve Quality and Safety of Cancer Care in the Home
(Room Name TBC)

10:45 - 11:00
Networking Refreshment Break
(Room Name TBC)

11:00 - 12:00
Concurrent J: Interest Group Meet Up:
Interest Groups (11:00 - 11:20)

- Pediatric Pharmacy
- Pharm Tech & Assistants (Drug Access Navigation)

Interest Groups (11:30 - 11:50)
- Pharm Tech & Assistants (Ergonomics during compounding)

- Heme and Transplant and Cellular Therapy: CAR T-cell Therapy Implementation and Pearls
(Room Name TBC)

11:00 - 12:00
Concurrent K: Round Table Discussion
- Reviewing Papers for Scientific Journals
- Everyday Leadership in Pharmacy: How to Lead Up

- Oncology Education Development
- Breaking Barriers to Clinical Trials: Patient-Centered Solutions for Equitable Access
- Tips for Grant and Manuscript Writing
- #OncologyPharmacy: The Social Media Conversation
- Early Career Connect – Oncology Pharmacists Sharing, Supporting, and Succeeding
- How We Can Better Integrate and Design Research Projects with EDI Principles. Bring Your Research Ideas!
(Room Name TBC)

12:00 - 12:45
Practicing to Full Scope in Oncology Pharmacy to Improve Patient Care: From Pharmacist Chemo Prescribing to Pharmacy Technician Role Expansion
(Room Name TBC)

12:45 - 13:00
Closing Remarks
(Room Name TBC)

13:00 - 14:30
Sponsored Symposium - Apobiologix
The Role of Innovative Biosimilars and Generics in Improving Health Equity + 2025 HOPE Awards
(Room Name TBC)

14:30 - 15:30
Sponsored Symposium - Novartis Canada
Innovative Models of Care in Breast Cancer - the Canadian Experience
(Room Name TBC)

Monday, April 7

08:30 - 12:30
Masterclass - Immunotherapy
(Room Name TBC)

13:30 - 17:30
Masterclass - Supportive Care
(Room Name TBC)
